

When a little girl pretends shes a real princess, her imagination soars and her bedtime routine is transformed into a majestic affair. While practicing curtsies on her way to bed, she gets the royal treatment: chocolate cream eclairs, glass slippers, ladies-in-waiting, a tiaraâ€”even a bubble bath with a special fluffy towel to dry her toes. Being a princess is so much fun! But at bedtime, theres one thing a little girlâ€”or a princessâ€”always gets: a kiss before saying goodnight.
