

Tex gave everything he had to his country and his SEAL teammates. When an IED took away part of his leg, and his career, he devoted himself to his country and friends from behind his computer. He's always been the man that can find anyone, that uses his computer skills, legal and illegal, to keep people safe and to put the bad guys behind bars. But behind a computer is a lonely place to be. While he might put on a good front, Tex can't help but feel he's missing out when he sees how happy his friends are. But when the woman he's been talking to online for the last six months suddenly disappears without a word, Tex knows it's time to step up, and use his skills for himself this time. **Protecting Melody is the 7th book in the SEAL of Protection Series. It can be read as a stand-alone, but it's recommended you read the books in order to get maximum enjoyment out of the series.

Historia General De Espana, Volume 1 (Spanish Edition), Mr. Barretts Secret And Other Stories, She, The Usborne Book of Greek and Norse Legends, Polar Bear, Aruba History and Culture: Tourism, Art, Custom and Tradition, My Skateboarding: Trick Tracker 360 (Cover Colors 360) (Volume 5), Hallucinations,
