

Sequel to Lorcan's Desire - A Whispering Pines Ranch Novel It's been a year since Lorcan James left Whispering Pines Ranch, and Quinn Taylor has barely recovered. Only two things keep him from falling into the abyss of despair: his work at the ranch and his escape into the world of BDSM at a club called The Push. At The Push, the sound of men begging him helps drown out the bitter memory of his own voice begging Lorcan to stay. When Lorcan comes back to Pegasus, the same blistering heat simmers between them, but almost nothing has changed. Lorcan is still with Jess, the man he left the ranch with, and Quinn has captured the attention of Ty Callahan, a man who will beg Quinn for anything, anytime, and any way Quinn wants it. Despite how much he wants Lorcan, Quinn swears he'll never beg a man again. If there's one thing Quinn has learned the hard way, it's that not even begging can fill love's aching need.
