

Radio Pro is actually several books in one, covering every aspect of personality radio—from the history of pioneer broadcasters to how to become a successful personality. Forty-one-year radio pro Joe Martelle also brings together a richly-varied selection of candid comments on the subject from over 150 of America's best broadcasters, seasoned pros, who tell it like it is and what it takes to be a successful air and on-line personality. Containing 736 pages with hundreds of photos, Radio Pro is enlightening, informative, and thought provoking for both the radio student and those interested in personality radio. Congratulations on getting the book done and out! I know how hard that is and I admire your dedication... I hope you enjoy every minute of joy as you hear from people across the country. - Nancy Widmann, former president of CBS Radio Just beautiful artwork and a great looking book. When I opened to a random page, I was glued. Congratulations! I know you poured your heart into this one and a book like this will be read for generations of Radio Pros to come! - Dave Ryan, Top rated Morning Drive Personality, KDWB-101.3, Minneapolis, MN **RADIO BOOK YOU HAVE TO READ:** Radio legend Joe Martelle has just released a book titled "Radio Pro: Radio Pros and Legends Share Their Secrets to Success." If you're looking to master the art of radio, this is the book to get. The Morning Skoop's own Steven Dee has contributed to Radio Pro. If you're really serious about your radio show, buy this book. - Steven Dee, daily radio show prep service I think you did an amazing job! Its a great read and right up my alley as a broadcaster. I agree with so much of the things in your book and do does my GM, who is ordering ten copies of Radio Pro, so I can hand them out to my staff. - Mark McCray, Radio 1, Dallas Youve really done a service for up and comers as well as us veterans---finally the story told through the eyes of the pros, championed by you, one of the all time great pros! - Jordan Rich, WBZ- Boston You certainly put together an exceptional history of radio and the emotions, challenges and rewards of being behind the wonderful "MiC" and the illusions created on the other end for the listener. -Surfer Joe Radio Pro takes you behind the mic with super Morning Man Joe Martelle. This inside look at broadcasting is a must read for anyone with aspirations for a career in radio. Good Guy Joe, my friend, you really nailed it! You wrote a fascinating, fun book. I loved it and Im sure that all radio fans and everyone who reads it will too. - Harry Harrison, Morning-Drive talent, WCBS-FM, New York City A great reference book for everyone associated with the radio industry. - Radio Recall (radio career, broadcast journalism, broadcast news, broadcast news handbook, broadcast 4, broadcast engineering, youtube broadcast yourself, radio announcer, radio communications, radio engineering, radio history, radio handbook, radio networks, radio station, radio technician, radio voice, radio writing)
