

What if you could have been there the night of Christ's birth? Or the day of His baptism? What would it have been like to sit at His feet while He taught the people the sinners, the children, the apostles? What would the sky have looked like over Gethsemane? Photographer Mark Mabry re-creates authentic, meridian-of-time scenes using both full-color and black-and-white photographs. This first-of-a-kind book showcases twenty-five scenes of the life of Christ. From the Nativity to His miracles to His death and resurrection, these unique portrayals, accompanied by New Testament scripture, offer a powerful witness of the Lord Jesus Christ. Included in the book are behind-the-scenes author notes, providing readers with an intimate glimpse into the making of each photograph. Stunning and sacred, Reflections of Christ is an ideal coffee-table book that is filled with images that millions of people have already experienced and grown to love. It is a book that Christian families will be proud to have in their homes.
