

A Children of Angels Novel Living an immortal life does not make one immune to pain or strife, not even the Nephilim of the Lord. For such a long existence gives one time to experience the utter highs and devastating lows all souls endure, whether they are given one hundred years or five thousand. It is a truth all Nephilim acknowledge and accept – especially Rohan. For the last thirteen hundred years, Rohan has guarded his heart with a firm resolve that has kept him from ever knowing hurt again. But that same resolve has kept him alone, as well. When a surprise attack on one of his fellow immortals brings Rohan’s heart out from the cold shell he has locked it away in, he must decide if he will let old wounds and loss keep him from experiencing the potential of a new love and partnership – the likes of which he has never allowed himself to consider – or if he will retain his solitary existence. As the danger mounts and hidden plots are uncovered in the eternal struggle between the Light and the darkness, Rohan will be forced to make a personal choice and take a stand for a fellow Nephilim. One who has captivated him and caused Rohan to question his decision to never give his heart to another, ever again.
