

From New York Times Bestselling Author, Penelope Ward, comes a new standalone novel. Sharing a summer house with a hot-as-hell roommate should be a dream come true, right? Not when itâ€™s Justinâ€”the only person Iâ€™d ever lovedâ€”who now hates me. When my grandmother died and left me half of the house on Aquidneck Island, there was a catch: the other half would go to the boy she helped raise. The same boy who turned into the teenager whose heart I broke years ago. The same teenager whoâ€™s now a man with a hard body and a hardass personality to match. I hadnâ€™t seen him in years, and now weâ€™re living together because neither one of us is willing to give up the house. The worst part? He didnâ€™t come alone. Iâ€™d soon realize thereâ€™s a thin line between love and hate. I could see through that smug smile. Beneath it allâ€”the boy is still there. So is our connection. The problem isâ€”now that I canâ€™t have Justin, Iâ€™ve never wanted him more. Authors note â€” RoomHate is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.
