

Curvy Jessica is out at a Manhattan masquerade party when she notices a handsome, but mysterious stranger staring at her from across the room. That stranger is Damien, a shapeshifter desperately trying to balance a double-life as both wolf and human. Caught in limbo between these two worlds, he wonders if he'll ever find his true mate. But when he sees Jessica enter the party, things change. He feels something he's never felt before. But can Jessica really accept what Damien is at heart, a dangerous combination of man and wolf? Note: This is the first installment in the Wolves of Manhattan series, approximately 10,000+ words long. Contains scenes of graphic language and explicit descriptions of sexual activity, and is intended only for mature audiences.
