

You wanted Erin! You pig! And now you have her child. I wish for you a nice life with your son! Troy Scarlett realizes the hard way that some sins are bound to be revealed, like the child that he had out of wedlock with Erin, his wife's mortal enemy from college. Chelsea Scarlett was not happy with the status quo. She thought she was happily married to Troy for the past five years, but his secret child was not a part of the bargain. She was not taking care of the son of the woman she had so despised in college, nor was she ever going to play happy family with the woman's son. Will they ever be a family again or is the hurt too great for Chelsea?
