

A Christmas To Remember – Ski-lodge manager Elisabeth is the quiet Donnelly twin – sedate, mature, responsible. It wasn't like her to fall in love with ski patroller Justin Cade, famous for his killer smile, blue eyes and way with women. But it was just like him to dump her when things began to get serious. Now he's suddenly back in her life, and the timing couldn't be worse. Elisabeth has plans to marry a successful businessman, and with Christmas around the corner, she wants to make the holidays special for her adopted young goddaughter. Falling for Justin all over again would definitely not be the sensible thing to do. But maybe, for once in her life, Elisabeth should follow her heart instead of her head.
