

Just when you thought it was safe to think about the Olympic Games in Beijing out comes SEDUCED-DIARY of a DOUBLE DEALING SPY authored by former Hollywood Madam Jody Babydoll Gibson. With Beijings grandiose presentation to the world of how desirable life is there its important to remember that China is still a communist country that threatens the freedoms of the free world and the 10,000 dancers hired to make the place look good were ordered to do so without any choice of their own. This WGA registered story is now a film in development as it revisits the explosive fascinating real life criminal case of FBI Secret Agent Chinese born Katrina Leung www.cnn.com/2003/LAW/06/19/fbi.spy.case/ who for 20 yrs. worked for our FBI only to be caught selling TOP SECRET classified information to Beijing,intent on obtaining our sophisticated info at any cost. The world of spying is not unique however, this highly classified Top Secret US info was obtained from Leung through her numerous sexual liaisons with top level FBI Counterintelligence Agents as well as high level government officials which ultimately seems to have prevented her from avoiding actual prosecution for espionage and treason and in April 2004, she walked away with just probation and a fine! Although Leungs defense was that she was just a victim acting at the behest of the FBI & the government Ms. Gibson unveils through diligent research and logic just how unlikely this defense could have been. This FBI latter day real life Mata Hari spy thriller based on the true story chronicles Ms. Leungs life as well as the facts of the well documented case. There are very few true stories of Secret Agents that live to tell the tale and even fewer are female...The material in my book is well researched. Katrina Leung worked as an FBI Secret Agent for 20 years and the facts as they pertain to the case, her sexual liaisons with other FBI agents, and all the evidence the FBI had against her are absolute. Its a fascinating story of sex, power, money, greed, and political agenda which makes for a fascinating read. With a development deal for the movie were looking at Lucy Liu or Tia Carrera for what is sure to be a fantastic role for an actress says author Ms. Gibson. Jody Babydoll Gibson currently writes The Week in Sex & Scandal for Hollywood Today and resides as Publisher and Editor-in-Chief of Corona Books www.CoronaBooksandMusic.com.
