

[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Seth McGavin moves to Brac Village to care for his nephew Oscar after a house fire claims Oscar's parents. He doesn't expect to find Chance Lakeland, and he certainly doesn't expect to fall for the tall, handsome man. Chance Lakeland seems to be blowing it with his mate, Seth. He can't seem to say the right thing. He can't even seem to keep his mate safe when it seems that, at every turn, Seth is being threatened, or even worse, hurt. When Seth is attacked on several different occasions, Chance has had enough. He tries to convince his mate to move in with him, but Seth is adamant about keeping his independence, even at the cost of his safety. Seth doesn't go looking for trouble, but it finds him at every turn. Can Chance convince Seth to take a leap of faith and trust him, or will Seth run into the wrong man and get himself killed? When one of Seth's attacks proves more dangerous than anyone thought possible, things begin to change in the paranormal world.
