

He'll fight like a demon to keep her safe. Heaven and Hell be damned. *Magical Sisters, Book 3* After her parents' deaths, Hilly Tristan sacrificed anything resembling a social life to raise her two sisters. Now that they've settled down with loves of their lives, it's finally her turn to find a man of her own. Trouble is, she doesn't go for the bar scene, and online dating seems, well, desperate even if she could find a site that caters to shape-shifters. The offspring of a demon and a once-fallen angel, Tanner Cage comes by his playboy lifestyle honestly. Blessed with a few special powers of his own, settling down with one woman isn't even on his radar. The captivating Hilly, though, tempts him to do just that. Hilly figures she can handle any bad boy, even the son of a demon. Handling his evil mommy dearest's schemes to keep them apart? That's another kettle of brimstone and bed full of buxom broads. There's only one thing to do: fight sex with sex to win back the man of her dreams. Except Tanner's mother is mad enough to spit lightning bolts, which means staying together risks getting the shock of their lives or deaths. **Warning:** The book isn't called *Sexual Shift* for nothing. Be prepared for sex that will make your heart pound, then have you holding your breath in anticipation. Go-for-anything sex between a demon-angel and a shape-shifter makes for more fire than even Hell can handle.
