

Roger Hayden's best-selling series "American Epidemic" and "The Pulse" accumulated over 150 five-star reviews on Amazon. Now he's back with his most thrilling survival series yet in "Sleeper Cell." A lone FBI agent. An enemy hell-bent on America's destruction. The clock is ticking. When a wide network of sleeper cells are activated, America faces a new terror threat unlike anything it's ever witnessed. At the height of the attacks, one FBI Agent finds himself in the middle of a race against time with an enemy hell-bent on his nation's destruction. Special Agent Craig Davis has spent months pursuing and investigating sleeper cell leads, and his first major bust of a ring of foreign ISIS militants leads to a conspiracy beyond even his own grasp. The enemy is plotting and something major is in the works. Soon Craig and his FBI team discover that the intent of the ISIS sleeper cells is not to simply commit acts of terrorism, but to declare outright war upon the United States. Their enemy: the American people and their government.
