

Complete with a targeted review of all the material on the selected Praxis exam in addition to a full-length practice test, these test preparation guides are written by the makers of the real tests. Thorough explanations of the answers are provided, and helpful test-taking strategies are found throughout the guide. The three categories of assessments covered correspond to the three milestones in teacher development-academic skills assessment, subject assessment, and classroom performance assessment. Reflecting the rigorous and carefully validated nature of the exams, these guides provide beginning teachers the information they need to succeed.
