

Penetrating the murkiest corners of glittering New Orleans society, Benjamin January brought murderers to justice in *A Free Man of Color*, *Fever Season*, and *Graveyard Dust*. Now, in Barbara Hambly's haunting new novel, he risks his life in a violent plantation world darker than anything in the city.... When slave owner Simon Fourchet asks Benjamin January to investigate sabotage, arson, and murder on his plantation, January is reluctant to do any favors for the savage man who owned him until he was seven. But he knows too well that plantation justice means that if the true culprit is not found, every slave on Mon Triomphe will suffer. Abandoning his Parisian French for the African patois of a field hand, cutting cane until his bones ache and his musicians' hands bleed, Benjamin must use all his intelligence and cunning to find the killer ... or find himself sold down the river.
