

Find Shaynas love story, Sorority Saint, the sequel to Sorority Pledge Saga, exclusively in Red Hot Alphas.

Following the strong pull of an undeniable connection and a need for power play, college students Addison and Logan have jumped into a fulltime D/s relationship, and they begin experimenting more and more, testing dark edges in BDSM that theyve never dreamed of. Thats where Logan craves to go, but Addison isnt really ready to fly blindly into the murk of his untapped, sadistic desires, even though she longs and strives to be his ultimate pleasure. Despite how explosively hot their kinky times and wild sex are, conflicts spring up when they painfully discover they often want and expect different things. As winter sets in, all the sparkly boxes theyve created start blasting away one by one. Is their love strong enough to mend the unexpected gashes and hold them together? Please be aware, this is NOT sugar kink; the S&M blisters in this second half. * * * This 121,000-word collection is the last five books in the 10-part Sorority Pledge Saga, a serialization that follows a rocky romance centered on the edgy bliss of Domination and submission. Please be 18+ and naughty enough for a spanking of your own. * * * (Based on industry standards, this book is about 520 pages.)
