

A collection of five erotic stories with mixed and varied themes including spanking, cyber sex, lesbian and BDSM. Spankilicious by Alcamia PayneColette, a beautiful redhead, feels jaded. The fire of her sexuality is dampened and nothing feels kinky enough to relight her fuse. Until she meets Jouet, creator of a whip made with the hair of his last spanking conquest. But Jouet doesn't agree to just spank anybody. Convinced Jouet can re-ignite her ebbing passions, Colette plays a cat and mouse game with the bearded dom. But who will emerge as master in their kinky power play? Just Watch Me by Justine Elyot Shy Sharleen didn't know she had an exhibitionist streak until James coaxed it out of her. It wasn't long before making love in front of James' flat mate turned into a full scale performance on Webcam for thousands of selected viewers. Shy Sharleen morphs into sex-goddess, Starleen, with her very own online live sex show. Jillaroo for a week by Eva HoreMelissa and Sheila can't believe their luck when they see a holiday job, Jillaroo for a week advertised in the Australian Outback. There doesn't seem to be much to do on the ranch and they're getting paid \$1000 a week to boot. But all is not as it seems, they realise, when they come across some very kinky goings on. Good friends and occasional lovers, they aren't averse to a bit of kink themselves, but there are some things that even this kinky couple find taboo. Illuminations by Ruth Marie De La FlambeauMaggie and Robert had to wait weeks to get a reservation. But this is no ordinary establishment. They are given far more than drinks by their host, not to mention dozens of other unseen hands. In the almost pitch darkness of the pleasure chamber only touch, taste and scent matter. All About The Sex by Penelope FridayXavier and Carla have an arrangement that suits both of them. It's sex only, nothing else is important. Yet in this role-playing game of domination and submission, which of them is really in charge? Is it love or hate? Perhaps there isn't as much difference as they think. These stories have also been published in Kinky Girls ISBN 9781907016561
