

Sadie is on her way to deliver an elephant to her Great-Aunt Josephine, who lives completely alone and can really use the company. She tries everything from mailing the elephant to boarding a plane, a train, and an alligator to get to her aunt's home. Along the way she meets an array of interesting characters, including an odd postal worker and a gang of bandit monkeys, who all help her get where she is going. This eccentric and hilarious story from Philip C. Stead, the author of the Caldecott-winning *A Sick Day for Amos McGee* and illustrator Matthew Cordell will surprise and entertain from beginning to end. This title has Common Core connections.
