

Where there's a will, there's a way. If you want something badly enough, you will find the means to get it. Let demons, mages, technology and love show you the way. A collection of fantasy, science fiction and horror stories. *The Stories Of Bones and Blades* by Jeff Parish A powerful mage hunts down a dragon in the hopes of using its bones to forge mighty weapons. Only one will survive, and the dragon is immune to magic. *Summer of the Widows* by Sherry D. Ramsey Suspected of murder, a wizard's apprentice must find the real killer and save her master from an even more dangerous threat--marriage! *Brittle Bones* by Lorne Dixon A dying fox seeks sanctuary in her final hours inside an abandoned house built on the fault line between life and death. Unfortunately for the vixen, she is not alone. *The Gun* by Ian Whates Discovered on a body-strewn battlefield, the intelligent gun seems almost too good to be true; and perhaps it is, but that doesn't matter. All that matters is killing the enemy, and if there's one thing the Gun is good for, it's killing... *KARMA* by Sasha Beattie A mother's determination escalates to obsession as she searches for her daughter beyond the grave. *The Widowers Tale* by Davin Ireland A reclusive hitman discovers vengeance can't always be left for dead. *Where Strength Lies* by Karen Lee Field When warrior mages try to abduct her son, a woman must trust her past to ensure her son's future. *KanjiKiss* by Lancer Kind A young man moves from the country to the big city to learn how shooting varmints relates to love and the Internet. *Shouting at the Stone* by TW Williams In a world where the most powerful magic is the loudest, a mage who has lost his voice must find a way to save the woman he loves. *Second Chance* by David Meadows A failed writer discovers that somebody is stealing his manuscripts -- before he even writes them! *To Hell and Back* by Rob Rosen A boy's love for his father is endless, timeless, and deeper than the very pits of hell itself. *The Guardian* by Lyall Henderson Aboard the most powerful warship in the galaxy, a soldier must sacrifice what he loves most to save his people. *Children of Ba-Seku* by Christopher Donahue A desperate prince will use one of Egypt's darkest secrets to try and turn back bronze-wielding invaders.
