

Brilliant language swept me into the story and I couldn't put it down. [Amazon Review] Young love. Old secrets. A girl caught in between. Ellie Duncan does not fear the willowy and random spirits that only she can see. What truly frightens her is the idea of remaining in her small Colorado town, stuck with an overbearing mother and trapped in a future she did not choose. So once her senior year in high school is finished, Ellie has a plan to break free from the confines of boundaries and rules, live a life of her own design. When a mysterious new boy named Reese Noble crosses her path, however, she begins to question everything and everyone around her. The inhabitants of her town. Her family. Herself. All she believed to be true is no longer the same. And as she finally begins to receive answers, Ellie will realize leaving the only life she has ever known may not prove easy, particularly when love is one of the ties to be severed.
