

Sometimes love happens when you least expect it! Lora Howell is stunned to find out her husband cheated on her before his death, but drinking too much and picking up a one night stand to get back at him might not have been the smartest thing to do. Facing the stupidity of her actions, the thirty-two year old mother of two recognizes the emptiness in her heart can't be filled by sex—especially not with the town playboy whose reputation for loving-and-leaving is legendary. Charismatic SWAT Officer Shane Parker was perfectly happy with his carefree bachelor ways until that one night with the beautiful widow. Now he can't get the woman out of his head, and the more time he spends with Lora and her young boys, the higher the risk to his heart. Convincing her he's ready to settle down becomes the most important negotiation of his life—until one last unexpected bombshell threatens everything.
