

Starâ€™s tempting work of art synopsis Starla Landry was not interested in starting a relationship especially with a multimillion dollar businessman like Art. Not to mention that she was busy enough getting to know her new found family, and believe me they were plenty to deal with. However the more time she spent with the handsome and very hard to resist man, the more she begin to warm up to the idea of having a man. Nevertheless when he asked for her help dealing with a crazy stalker she reluctantly agreed to help him. Arturo Fabrizio was a very smart businessman that could recognize a perfect opportunity when he saw one, so when the chance to get closer to Star appeared he didnâ€™t hesitate to seize it. Heâ€™d never wanted any woman as badly as he wanted Star. However, he didnâ€™t want to put her in danger. So while she may think that she was the one protecting him he planned to do everything in his power to keep her safe. When these two get together the sparks fly as their desire for each other builds to dangerously explosive levels in Starâ€™s Tempting Work of Art. *****Note***** This book contains a reintroduction of characters from the Russian Royalty series so if you arenâ€™t familiar with that series you may want to read book one in that series Guard my body Tiaâ€™s story. If you are familiar with that series I hope that you enjoy their reappearance in book 2 of the Lan-Divas.
