

In the next Faces of Evil book from USA TODAY bestselling author Debra Webb, is Amber Roberts a killer or a victim? Instead of reporting the news, Amber Roberts is the news. Has the beautiful journalist murdered someone she hardly knew or has she been brilliantly framed? Evidence points to the former. Enter Sean Douglas, the hottest bodyguard Ambers ever seen. But Amber is all about her career, and giving it up for romance is unthinkable. Sean, she learns, has his own guilty reason for keeping things professional. The last woman who trusted him ended up dead. And now the same fate may await Amber, unless Sean can protect her while guarding his heart. Because someone is watching and terrorizing Amber—someone no one would suspect!
