This is the life I know, but I long for something simpler. My name is Hannah. I am alone. The wife of a man who is never here, a ghost in the wind. Going undercover forced Stealth and Hannah into a separation. Their marriage left in tatters. Throwing himself into his new identity as Stealth - bad boy biker of the Satans Savages MC club - plunged him straight into the arms of club girl, Skye. But with the Cartel on the clubs back and danger at every turn, can Stealth truly turn on the brothers he loves. Will he give his Unit the intel they need, putting his career before his brothers? Will it be the club, Skye, or Hannah, who is Stung by Stealth?
