

SuperFreakonomics challenges the way we think all over again, with such questions as: How is Street Prostitute Like a Department-Store Santa? Whats The Best Way to catch a Terrorist? What Do Hurricanes, Heart Attacks, And Highway Deaths Have in Common? Are people harwired for Altruism or Selfishness? Can Eating Kangaroo Save The Planet? Levitt and Dubner mix smart thinking and great storytelling like no one else, whether investigating a solution to global warming or explaining why the price of oral sex has fallen so drastically.
