

Flip through these pages to find in-depth profiles of Supermans friends and foes, annotated illustrations of key weapons and places, Episode Panels to help place each character in specific storylines, and Super Data panels featuring vital stats for all the major players. Superman: The Animated Series Guide is based on the popular television series, which stayed true to the original Superman story while updating the characters and settings with stunning visuals and animation techniques. DK and DC Comics team up to bring these same classic storylines and new, exciting styling to the page.
