

[Siren Classic: Erotic Contemporary Romantic Suspense] Rhonda Ramsey's future plans didn't include a man until she met temptation in a set of exotic eyes and a six foot package of pure sex appeal. Unable to resist, she lets him into her life only to watch him walk away months later. She's furious with herself for allowing her desires to control her head. But when a drug lord takes her hostage, depending on the man who tempts her soul might be her only chance to survive. DEA Agent Michael Cosmos has done a lot of tough things in his career. Walking away from Rhonda topped the list. He did it to keep her safe. He failed. Now she's at the mercy of a drug lord out for revenge. Michael will put his career and his life on the line to get her back in his arms. But will it be enough to hold on forever? ** A Siren Erotic Romance
