

A dangerous past forced him to lie low until a beautiful target landed in his arms. With only seconds to spare, Cade had rescued feisty neighbour Bailey from the grenade that demolished her home. The rugged ex-soldier had no doubt the explosion was payback for his own dangerous past, but before long Cade realised Bailey was the true target. Now, to protect her from assassins, Cade must take Bailey on the run. As a trained-to-kill soldier Cade's number one priority is to keep Bailey out of harm's way – and the best way he knows to do that is to keep her wrapped up in his arms!
