

A Teton Romance Trilogy and Yellowstone Romance Series Holiday Crossover Novella! Lucas Walker's life couldn't be more different from a few years ago. Now married and expecting his first child, he wants nothing more than to provide a good home for his family. With Christmas coming, he sets off to find the perfect surprise for his wife. As Tori Walker approaches the time for her baby to be born, she is comforted by the expert care that surrounds her. However, winter in the mountains can turn deadly at the blink of an eye. When her prankster husband fails to return from a short hunting trip, she doesn't know whether to be angry or worried. Christmas is a time to reminisce and enjoy family time. Young or old, all who gather in the Walker home this holiday can share memories of falling in love, being saved from near death, and not being able to imagine life without each other. When Lucas and his companion are feared lost in the wilderness, this holiday season may well be remembered as the season of mishaps, rather than a season of joy.
