

Mandy Berringer is on the last leg of a homebound journey to Denver when a mistaken accusation by Indian warriors diverts the course of her life. Believed dead by her family, Mandy will do anything to get home. But a disabling accident, an epidemic, an unexpected love and a tragic loss prolong her separation from her family until she is finally reunited with themâ€”only to be devastated by what she finds. The man she loves undergoes crushing trials of his own, and their search for each other leads them on separate journeys into new tests of faith and enduring love.
