

Sarah Greyback has finally come of age, she is ready to become a mate to a Bear. She always knew that becoming a mate would be something that would be arranged for her. However, she had no idea it would be in these circumstances. Sarah has been offered to a rival tribe of Bear shifters as a peace offering. She will become the mate to Connor, the future Alpha of the Clawgrove tribe. In return, the Greyback tribe will be offered protection. However, with the mating ceremony fast approaching Sarah is having serious reservations about it. Can she really handle being an arranged mate for a man she has never seen before? Furthermore, does she have what it takes to please an experienced Alpha like Connor? Either way, both Sarah and Connor are about to find out that there is a lot more to this arrangement than meets the eye!
