

The Bite of a King Lila, Tondbert, Isabelle, Jenni and Osric have a problem. King Tallon Tyre has heard of their rebellion and he's not a man to cross. He's bringing an army of twelve thousand to crush them all, to drive them so deep into the dust no one will even remember they were there. After fighting for months, struggling against the monsters and nobles trying to destroy them, can the heroes of Bytarend possibly defeat the largest army they've ever seen? The concluding novel in the Bytarend series combines all the action, humour and tension readers have come to expect. No one is safe against King Tyre's army. Will the last novel mean the end for Bytarend itself?
