

Trapped by Oda Nobunaga after his dastardly betrayal, Barry is forced to face his grief. Darkness takes him and he thinks only of hate and revenge. But, a chance encounter with a tiny stranger leads him from the darkness back toward the light. As a result of the circumstances, he and Takeshima become estranged and Barry, Steven and Boabi leave the Valley for lands far to the East past the Gulf of Tears and over the great Ocean where the group encounters even greater challenges and even more shocking revelations. In this, the final chapter of the B&L Show series, Barry confronts his true enemies, his darkness and overcomes his giants and then stands face-to-face with Oda Nobunaga in a final battle for his own soul, his family and the people of the Valley on the World of the Orange Sun. The lesson? Never assume anything!
