

THE CLAIMED Victoria Johnson loves her life. She's her own boss in a quaint beachside town, and has great friends who keep her grounded. If only they knew who she really is: an heiress to an ancient race who possesses astonishing superhuman powers. It's Victoria's duty to restore her clan of Light Hunters to their former glory by choosing the perfect mate. In Christopher Sombrosa, she just may have found him. Strong, smart, and successful, Christopher exudes a powerful energy. Their connection is sensual, irresistible-and forbidden. A member of the Shadow Hunter clan, Christopher has defied his own father to lead his people away from affliction and violence. Yet he cannot ignore his duty to carry on his ancient bloodline. Stunningly beautiful and brimming with an erotic life force, Victoria is everything Christopher ever hoped for in a mate ... but as a Light Hunter, she's his mortal enemy. Together, they could unite their warring tribes. But murderous factions on both sides don't want peace-and they'll stop at nothing to keep light and darkness apart forever ...
