

Former NYPD Deputy Commissioner Jack Maple was a man in a bow tie and homburg--he was also on a mission to revolutionize the way crime is fought: how cops go after crooks, and how they prevent crime in the first place. And he succeeded. But Maple is not satisfied. In *The Crime Fighter*, he shows how crime can be attacked all across America. Laced with fascinating, incredible, and often very funny tales of Maples adventures as a cop, the book is as entertaining as it is informative. Anyone interested in how criminals think and act, and how the police should do their jobs, will devour this absorbing book.
