

Drew Danner, an L.A.-based crime novelist, awakens in a hospital bed with a scar on his head, blood under his nails, and a cop by his side. Accused of murdering his ex-fiancee, Drew has no memory of the crime but reconstructs the story the only way he knows how – as a novel. As he searches the dark corridors of his life and the city he loves, another young woman is similarly murdered and Drew must confront the very real possibility of his own guilt.
