

Society has broken down, the police and military have abandoned their posts, looting is rampant, and hordes of zombies are heading your way. Don't be a statistic. Survive. This book will help you. Max Walker has applied his extensive real world knowledge of firearms and bladed weapons to the problem of zombie eradication during a potential Zombie Apocalypse. With enthusiastic respect for the Zombie genre and just a little humor, Walker fills your zombie hunting toolbox with techniques from making almost any firearm instantly ready to fire to assessing the relative utility of weapon lights, suppressors, and night vision. If you wonder how the safety works on an AR-15, AK-47, M-14, shotgun, or any service pistol, then this is the book for you. Quality blades and impact weapons do not have to be expensive if you know what to look for. Find out the secrets here! Starting with a worst case "traveling" scenario, the reader will learn how to select the best weapons available to address the Zombie threat. Using an easy to remember set of principles and Walker's "Final List", you will have a portable survival plan wherever you go. Prepare now and you get your choice. Prepare later and you get the leftovers. Got a question? Contact Max at: Max.Walker556@aol.com
