

This guidebook is organized into three easy-to-read sections: animals, plants, and the natural features of Alaska which is the largest and most varied of all the states in America. Entries in each section are listed alphabetically. This book contains fascinating factoids, line art drawings, and a state map along with entertainingly written entries. Whether you live in Alaska or are just passing through, youâ€™ll discover a gold mine of nuggets, facts, and information that will give you a deeper understanding about everything you may encounter from reindeer, puffins, and Dall sheep to taiga, pingos, and fjords.
