

In the latest Ringside novel from the author of *Going the Distance*, the most carefree member of Stamina Gym in Las Vegas finds that maybe his career ending injury is a stroke of luck after all... Trevor Redding has two families: the boxers at Stamina Gym boxers and the dancers at The Gentlemen's Club, where he works as a bouncer. So when one of the dancers is attacked, he is quick to protect her, and winds up landing in the hospital himself. Being his own boss, he's not interested in what Dr. Chelsea Fox has to say, no matter how stunningly beautiful she is. Concussion or no, he has the biggest fight of his career coming up. Everyone at Stamina is counting on him. But when Chelsea discovers that he'll do anything to fight, including hiding his diagnosis, she decides to show her roguishly handsome patient just how tough she can be and just how rewarding it is to follow this doctor's orders.
