

In the next Installment of The Judas Curse, Detective Ben Stanford is ready to put the past at rest. Without warning, he's pulled down once again into the chaos of gods, theology, and mystery. Told that his sister is alive and the two immortals, Mark and Judas, have been kidnapped by the treacherous goddess, Nike, Ben must find a way to rescue the pair before she can harness their powers. While Mark waits alone, forced to write out the story of how their powers came to be, and Judas lay tortured by the angry Goddess, a reluctant Ben must enlist the help of a hesitant being from the ancient Norse Pantheon. Time is ticking, and the hard-headed detective must use everything he learned in the past to prevent another disaster, which could potentially wipe-out the human race.
