

He is coming to kill me. Now would be a good time to run. I cannot run. I am too afraid to run. Paul Varderman could be at any normal school - bullies, girls and annoying teachers are just a part of life. Unfortunately normal doesn't apply when it comes to the schools most evil bully, Roth, a twisted and threatening thug with an agenda quite unlike anyone else. When Paul ends up delivering a message from Roth to the leader of a gang at a nearby school, it fuels a rivalry with immediate consequences. Paul attempts to distance himself from the feud, but when Roth hands him a knife it both empowers him and scares him at the same time ... This thought-provoking and original novel highlights the terrible consequences of peer pressure and violence, and casts a spotlight on the worrying rise in knife crime among teenagers.
