

There's more Maggie to love as pregnancy expands her waistline and shortens her temper. And now the hag has to deal with the holidays too? If this is the most wonderful time of the year, somebody goofed. Jackie Parkers marriage is on the rocks, and were not talking ice here. 'Tis the season for a happy family, but Jackie just wants to ride this Christmas out alone with her dog, her monkey and her remote control. Unfortunately the Dark Prince has other plans. Miami is a hotbed of criminal activity, but no one expects to be robbed by Santa himself! With the big jolly man in the bright red suit doing a few B&Es in the neighborhood, Maggies vacation is soon swapped out for a criminal investigation. And she's teaming up with a new neurotic partner. Holiday hilarity ensues when Damaged Goods and the Laundry Hag join forces for a takedown you won't want to miss!
