

On paper, Viive McBroom lives the perfect life--a key player in a fast-paced, technical field, one promotion away from real success--but that's only if you ignore one little problem. Sandwiched between one migraine and the next, Viive's life is like those choose-your-own-adventure books you read as a kid, only less fun and with a lot more drugs. Faced with frustration from her loved ones and the dark machinations of a new coworker, Viive feels herself getting pulled under by guilt, apologies, and workplace shenanigans. But then she meets the Migraine Mafia, a quirky, vibrant support group, and her fragile camouflage begins to crumble. She discovers that a room full of strangers just might be able to change the way she views her illness--and realizes that if she doesn't learn to ask for help, her health isn't the only thing she stands to lose. Sometimes painful, frequently hilarious, always entertaining, *The Migraine Mafia* is the story of one woman's life-altering quest to thrive in the face of chronic illness.

Hunting Season (Anna Pigeon Mysteries Book 10), Fighting Temptation (Men Of Honor) (Volume 1), Black Panther, #1, Volume 1, King Solomons Frog! Marvel Comic Book (#1), The Wisdom Of Forgiveness: Intimate Conversations and Journeys, Alpha Bites and Fights (Love Bites In Moonlight (Paranormal Erotic Romance) Book 1), Select Poems of Samuel Taylor Coleridge (Cambridge Studies in Renaissance Literature and Culture), Whos the Boss? (short story #5 from Office Flirts! 5 Romantic Short Stories) (Office Flirts! 5 Romantic Short Stories Book 9), Beth Tragedy of Macbeth (Classic Reprint),

Editorial Reviews. Review. Another great read from Maia Sepp! --T.R.
