

[Dramatized with Music, Sound and Performed by a Full Cast][*Adapted and Directed by Yuri Rasovsky]When this groundbreaking serialized dramatization premiered on radio, critics were unanimous in their praise, calling it a feast for the ears and a magnificent blend of scholarship and showmanship. It won numerous honors, including the George Foster Peabody Award, the Pulitzer Prize of broadcasting. **Now, more than twenty years after its first airing, Blackstone Audio is pleased to present this outstanding production, dramatized here with intermittent discussions by classical scholars. -- The ancient poem tells of a man, a hero of cunning rather than brawn, who inhabits three worlds: the world of his own reality, the world of the gods and demigods, and the world of magic and monsters. The interweaving of these three worlds contributes significantly to the delight that The Odyssey has inspired throughout the ages. Odysseus is a man who inhabits three worlds: the world of his own reality, the world of the gods, and the world of magic and monsters. This award-winning dramatization blends exciting action and rich poetry with discussions by classical scholars.
