

The 16th Amendment to the Constitution is why Americans pay income taxes. But what if there were problems associated with that amendment? Secrets that call into question decades of tax collecting? In fact, there is a surprising truth to this hidden possibility. Cotton Malone, once a member of an elite intelligence division within the Justice Department known as the Magellan Billet, is now retired and owns an old bookshop in Denmark. But when his former-boss, Stephanie Nelle, asks him to track a rogue North Korean who may have acquired some top secret Treasury Department files--the kind that could bring the United States to its knees--Malone is vaulted into a harrowing twenty-four hour chase that begins on the canals in Venice and ends in the remote highlands of Croatia. With appearances by Franklin Roosevelt, Andrew Mellon, a curious painting that still hangs in the National Gallery of Art, and some eye-opening revelations from the \$1 bill, this riveting, non-stop adventure is trademark Steve Berry--90% historical fact, 10% exciting speculation--a provocative thriller posing a dangerous question: What if the Federal income tax is illegal?

Goddess to Goddess: Radiant Tales of Light Filled Journeys, The Biology of Taurine: Methods and Mechanisms (Advances in Experimental Medicine and Biology), Harold and the Duck, The Cowboy Rescues a Bride (The Cowboys of Chance Creek), Ideas & Daily Life in the Muslim World Today (Understanding Islam), Descent into Hell, Historia General De Espana, Volume 1 (Spanish Edition), Mr. Barretts Secret And Other Stories,

Editorial Reviews. Review. "One of Berry's best books to date." • The New York Times. "Steve Berry is a master at weaving together historical details with fiction."
