

ter a solar storm devastated technology in the world, the acclaimed series of books from the Prepper Trilogy which were combined under the title Our End Of the Lake told what occurred before, but not after, the community took on more people to feed and support. They began to starve and were forced to look for solutions further afield. The four Prepper Novelettes telling the stories of your favorite characters are now combined to give you the further saga of the survivors. Join us now in revisiting our end of the lake for the rest of the story of survival in post apocalyptic America.
