

ALIEN ABDUCTION ROMANCE by best selling author R.P. James Just when I think Ive sworn off men for good, I find myself abducted and probed so thoroughly that I might never come back from it... Ive always been a bit on the curvier side, and though that shouldnt really bother me that much, it does. I know curvy women are attractive, but Ive always felt insecure about myself and anxious as a result. Following an evening where I completely break down in front of my childhood crush I decide that Im done trying to break myself into the dating scene, thinking it a complete vanity and a waste of time. Im true to this pledge for some time, until my best friend Clarissa invites me out for a night on the town to a club called Alien Abduction. Its here that I find myself suddenly transported into an alien realm in the company of a not-so-little green alien sexpot, and my vows of chastity are about to become very, very violated in his presence... An Alien Standalone Romance With A Happy Ending Thank you for outright purchasing or borrowing my book through the Kindle Unlimited Program.
