But his ship is sunk in the Atlantic by a German U-boat, drowning almost the entire crew. An American cruise liner, the *SS Kansas Star*, rescues a handful of sailors, among them Harry and the third officer, an American named Tom Bradshaw. When Bradshaw dies in the night, Harry seizes on the chance to escape his tangled past and assumes his identity. On landing in America, however, Bradshaw quickly learns the mistake he has made, when he discovers what is awaiting him in New York. Without any way of proving his true identity, Harry Clifton is now chained to a past that could be far worse than the one he had hoped to escape.
