

WHO WANTS MADELINE WESTFIELD DEAD? AND WHY? Forensic Instincts first order of business is to find out whos targeting their client. Under the leadership of Casey Woods, the investigative team has the resources to do just that, working inside the law and outside it. FIs strength is its members, among them Caseys associate Marc Devereaux, former navy SEAL and a man whos equal to any situation. Except maybe this one Madelines case hits too close to home for Marc. Shes the only woman he ever loved, and shes his only weakness. Now a nurse at Manhattan Memorial, shes terrified because someone is trying to kill her. So she turns, reluctantly, to Marc and FI for help and protection. Meanwhile, Manhattan Memorial is in turmoil. With a merger in the works, the staff is still haunted by their hospital administrators sudden death during heart surgery performed by Madelines ex-husband, Conrad. A surgery at which Madeline was present. The killer seems to blame both Madeline and Conrad. With a growing list of suspects including the grieving widow and a string of scorned lovers Forensic Instincts will have to figure out who has the greatest incentive to get rid of Madeline. And FI has to work fast to save her before shes permanently silenced.
